Their inspiring leadership and impeccable organisation infused the programme with purpose, prestige and enduring impact.

A Collaboration beginning : Parents Orientation Sessions

BVM Kitchlu Nagar, Ludhiana, organised a series of Parent Orientation Sessions for the parents of Balvatika and Classes III, IV & V, strengthening the home-school partnership and acquainting them with the school's academic vision and holistic approach to education. Parents were introduced to the school's child-centric learning environment, learner-centric pedagogy, experiential learning practices, and holistic development initiatives through engaging presentations and interactive discussions. A delightful dance performance by the Balvatika students added warmth and joy to the occasion, making the sessions both informative and memorable.
